Diamond-quilted Vest

vn-pdf-p05-3-r5-c5

Resolved reference finding

Replaced the simplified angular chest mark with the exact supplied winged-spire contour in front and visible left-side views. Removed obsolete conflicting front references from the active gallery. Corrected pointed-collar copy to the visible ribbed bomber collar and documented side snaps.

Version precedence

R10 correction pack supersedes conflicting R07/R08/R09 descriptions, references and affected dimensions. Retain unchanged original specifications. This closes the reference finding, not bulk-production approval.

Design authority and limits

R10 is an authored design-reference correction under the owner instruction to finish the findings. Rendered rear views and hidden construction are documented design decisions. They are not photographs of manufactured samples. Actual fit, material performance, hardware tooling and embroidery sew-out still need factory validation.

Corrected references

jet-black-front-r10

jet-black-left-r10

Construction and artwork

Design features

Diamond quilting
Sleeveless vest
Ribbed bomber collar and armhole binding
Snap front and side snap plackets
Two front welt pockets
White exact-master emblem on wearer-left chest; plain back

Material target

Lightweight nylon shell (design target).

Assembly

Type 301 lockstitch structural seams; type 504 overedge exposed raw edges. Bag out existing lining, secure lining at underarm/hem with thread chains; reinforce closure ends and pocket openings.

Hardware

Retain visible silver-tone front and side snaps, following view placement. No zip or pointed shirt collar.

Artwork instruction

R10 exact supplied Gold_Source_Outline.svg contour, recoloured white. Finished embroidery target width 80.00 mm, proportional height 54.53 mm. Center on wearer-left chest, 110 mm horizontally from center-front and 160 mm below high shoulder point (size M); grade placement with chest block. No rear emblem. Artwork is exact vector; digitised stitch file and actual sew-out must be validated on the quilted shell.

Sampling measurements

Measurements in centimetres with the garment laid flat. Chest, waist and hip are widths across one side, not body circumferences. Compare with a similar garment you own.

Diamond-quilted vest / retained sampling targets

size	chest	length	shoulder
S	62	71	52.5
M	65	73	54
L	68	75	55.5
XL	71	77	57
XXL	74	79	58.5

Measurement rule

Widths are one-side flat widths, not body circumference. Retained numbers remain design targets. Do not scale mockup photographs for pattern dimensions. Confirm tolerances, seam reserves, fit and movement on the sample.
